2025 Oakdale Morning Market Rules and Regulations

GENERAL MARKET INFORMATION

Oakdale Morning Market (OMM) is a project of Love Oakdale and runs Saturday mornings from May - September from 8:00 a.m.-11:00 a.m. The market is largely sponsored by local businesses, which allows the majority of your vendor fees to support Love Oakdale's work. Each week, the Morning Market offers free activities for kids, space for young entrepreneurs to sell their handmade items, and a place for our guests to listen to great live music and view live art while enjoying delicious food. Most of our programs are free to the public and are made possible by our sponsors, vendors, and the support of our patrons. We are so excited for the third season of our market and look forward to building community with you!

OUR COMMITMENT

- The OMM team will strive to make the OMM a safe, community-based market, open to all.
- The OMM team will work to plan special events and giveaways throughout the season, aimed at increasing patron attendance and overall sales for our vendors.
- The OMM team is passionate about the success of the vendors who choose to partner with the OMM. We are committed to creating an environment that welcomes patrons and will work to share the mission and activity at the market through social media and are committed to providing you with any pertinent feedback with the goal of increasing your sales week-over-week.
- The OMM values our relationships with brick-and-mortar businesses located within market boundaries and makes every effort to help them build their businesses by including them as vendors. Each business is invited to be open during market hours and to come outside to sell their products. OMM will assist businesses with marketing and signage as requested and businesses have the opportunity to be featured on our website as part of our market map and vendor profile pages.
- OMM is passionate about building community. Each week we welcome a Featured Non-Profit who will be given free booth space to share their work in our community with market patrons.

VENDOR ARRIVAL, BREAKDOWN, STALL DETAILS

- Vendors are to be set up and ready to go by 7:45 a.m. and stay for the duration of the market. Please do not begin to break down your booth before 11:00 a.m. even if you sell out.
- Vehicles must be out of the market area no later than 7:15 a.m. Please unload quickly and park your car before setting up your booth. We have many vendors to set up in a small area and your patience and grace will be needed.
- Vendor parking is across F Street in the Library/Community Center Lot located on South 1st Avenue between F and G. It is a short walk back through the Community Center Plaza and down a block. This will allow closer parking to be available for our market patrons and local business customers. **Not parking in vendor parking will result in a \$50 fine** which must be paid before you will be allowed to sell at future markets.
- You may set up any time after 6:00 a.m. For those of you with trucks or trailers, please arrive before 6:30 so you can be parked and tow vehicles removed before other vendors arrive.

- Your stall number and location can be found on the weekly vendor list and map found on our website at www.OakdaleMorningMarket.com. Stall assignments may be changed at the market manager's discretion.
- Vendors are responsible for hauling out their own garbage. Please do not place garbage in OMM or city receptacles.
- Vendors will provide their own tables, chairs, and tent/shade canopies. Any vendor requiring electricity should bring their own generator. Limited electricity exists on 3rd Avenue, but backup power is each vendor's responsibility.
- All vendors must have a sign identifying their business name.
- Vendors are limited to ONE (1) A-Frame sign outside of their stall. Signs may not be placed more than four feet from the stall edge.
- Vendors may not begin breaking down their booth prior to 11:00 a.m. Breakdown must then be quick and complete with the goal of being off of the street no later than 11:45 a.m.

CANCELLATIONS

If you are unable to attend a market, please let us know as soon as possible. The number of vendors and layout of the market is a critical part of the consumer experience. Providing advance notice allows us to adjust the map/layout as needed to maintain the quality market we are on mission to provide.

- Cancellations given a week in advance will be issued a full refund of prepaid stall fees prorated to any discount earned by prepayment.
- Cancellations prior to 48 hours in advance will be issued a 50% refund of prepaid stall fees prorated to any discount earned by prepayment.
- Cancellations less than 48 hours will NOT be issued a refund of prepaid stall fees.
- **More than two cancellations per season with less than 48 hours notice may result in a vendor losing the spot for the remainder of the season.**

OMM is open rain or shine each Saturday May – September. On very rare occasions, excessive heat or poor air quality could cause the market to be canceled. We will do our best to notify you with plenty of time to adjust your schedule, in the event of a cancellation.

SUSPENSION OR REMOVAL OF A VENDOR

- A vendor may be suspended or removed from any market(s) or have selling privileges in the market conditioned, modified, or limited by a market manager for any of the following reasons:
 - Failure to obey and conform to state, local government or market rules and regulations.
 - Causing or maintaining an unsafe or unsanitary condition at the market.
 - Unreasonable or outrageous conduct considered detrimental to the purposes or interests of the market.
 - Failure to attend a previously reserved market space without adequate prior notification.
 - Selling items that were excluded from your application at time of approval.
 - Behavior that obstructs any other vendor's commerce or ability to transact business at the market.

ADDITIONAL GUIDELINES FOR FOOD VENDORS

We have been told the Environmental Resource Department of Stanislaus County will be spot checking the market this season.

A couple of reminders:

- If you are sampling or serving any food item, you must have a handwashing station in your booth. Please do not dispose of greywater in the flowerbeds. Greywater and ice may be placed in the gutter at the end of the market.
- All food and produce needs to be at least six inches off the ground.
- You must have a garbage receptacle in your booth. Please haul out your garbage at the conclusion of the market.
- If you are cooking in your booth, please cover the ground with a tarp or mat to prevent grease from being left on the pavers.
- If using cords, please make sure they are covered for patrons' safety.

These guidelines may be modified at any time.

All vendors will be notified of any changes.
