

INTRODUCING

CREATING SPACE • BUILDING COMMUNITY • GIVING BACK

Dear friend of Oakdale,

We are excited to introduce you to the *Oakdale Morning Market*, a project of *Love Oakdale*.

The market will take place on the newly renovated 3rd Avenue each Saturday, May through September, from 8:00 a.m. until 11:00 a.m. The Market's mission is to create a place for our community to gather while providing an opportunity for local vendors to bring their products directly to consumers. We also want to support downtown businesses by bringing new customers right to their doors. The Market will be a place where guests can find weekly grocery staples as well as unique creations from local artisans. We are excited to also encourage youth entrepreneurship through our "Oakdale Young Entrepreneur" program, where young creators can sell their handmade items. Food vendors will offer delicious meal options while children's classes at our "Kids Corner", food demonstrations, live music and other special features will add to the fun. We hope to create an atmosphere that will cause people to linger and enjoy being together.

Money raised from sponsorships will help defer start up costs and ongoing expenses while proceeds from the market will support the continual outreach efforts of Love Oakdale.

Not familiar with Love Oakdale? Love Oakdale exists to bring people together. By helping those in need, assisting local non-profits, supporting small businesses and schools, and participating in community wide events, we are here to love the people and places of Oakdale because He first loved us. In addition to our year round efforts, our annual city-wide volunteer day the last Saturday of each April gathers hundreds of volunteers to serve at projects throughout our city.

We are working hard to bring an excellent market to Oakdale offering high quality products and a fun place you'll want to be.

Will you join us and play a role in bringing the Oakdale Morning Market to life as well as supporting the work of Love Oakdale?

Your financial gift would be invaluable and greatly appreciated!
